

# Happy 30th Birthday 2CC

## Celebrating 30 Years Of Broadcasting

Congratulations on 30 years of broadcasting and wishing you many more prosperous years to come.

And if you're wondering, it is a picture I put together overnight in an effort to produce something to celebrate 2CC's Birthday, I hope you like it! (You are free to use it in any way you see fit, the original can be found on my website [www.samuelgordonstewart.com](http://www.samuelgordonstewart.com))

Best wishes from  
Samuel Gordon-Stewart
